***“A great European women soccer event during the Whitsun holiday 2010,  
Saturday 22 and Sunday 23 of May 2010”.***

Do not miss your chance to participate in one of the biggest European women soccer tournaments. This tournament will be hosted by the Dutch communities of Simpelveld / Bocholtz, which are located in the most southern province of the Netherlands, called Limburg. Nowhere in the Netherlands will you be able to find such beautiful, hilly scenery and to be able to taste the European atmosphere as it takes only a short drive to Belgium, Germany or Luxembourg.

We would like to take the opportunity to invite you for a great and unforgettable women soccer tournament. In 2009 up to 50 women teams participated in this 2-day soccer event. As most of the participants will have a 3-day (or more) holiday weekend you can combine your trip to this region with several cultural events. It's close to the Belgium and German border so it is easy to create your own team agenda. It's possible to stay/sleep at least 5 days at our sportfields.

Fill out the form and participate in “the neighbouring countries’ European women soccer tournament”. You will be able to compete against several European soccer teams. The tournament gives you the perfect opportunity for networking with a lot of other European teams. We are proud to contribute to the increased popularity of woman soccer and like to bring the European woman soccer competition to the next level.

### **Tournament – the game plan**

The game plan for the tournament is extremely simple but very successful. On the Saturday your team will play at random against other teams. This is to determine the level of skill sets of all the teams. On the Sunday we will have the finals which are set up in divisions, so your team will play against competitive teams with the same level playing field. This game plan formula guarantees that even if you lose all the games on Saturday you can still win the tournament on Sunday. This tournament gives you the perfect conditions for a real team-building weekend in an international environment.

On the Saturday and Sunday, your team will play soccer. The soccer activities will happen in a time frame of 4 to 5 hours per day, so there is enough time left for other side events or cultural activities.

### **Side programs**

During these days we also offer side programs for the participants.

In the evening hours all the women can create their own bonfire and participate in a international dance sensation at the sport fields.

### **Tournament cost**

Tournament cost (the play) is set at € 40 per team. There is no limit on the number of players that you bring to the tournament. We will play on regular soccer fields, use normal competition rules but you can have as many substitutes as you want. The only requirement is that players’ age is between 14 and 64 years.

## Facilities

If you bring your own tent, we can arrange and accommodate your overnight stay at the sports field. You are allowed to arrive at the sports facility for camping as of Thursday and you can stay until Tuesday to make it a really full weekend.

If you want to make a specific deal for your team, the tournament organisation can provide you with tents, information on motels or even arrange a hotel.

The organization contact person is Jack Lussenburg and he can be reached by e-mail: [j.lussenburg@home.nl](mailto:j.lussenburg@home.nl)

## The proximity of Simpelveld / Bocholtz.

The province Limburg is often compared with the Italian shoe in between Belgium and Germany. In close proximity of **Simpelveld / Bocholtz** you will be able to visit Valkenburg, Maastricht (where the European Treaty was designed in 1992), Liege, Aachen etc, and important for you to know is that Simpelveld / Bocholtz can be easily approached by highways from Belgium, The Netherlands or Germany. Also in close proximity are the airports of Maastricht-Aachen (15 min), Liege (30 min) and Köln (55 min).

Some interesting websites for your cultural program see below.

I hope we can welcome you during the Whitsun-weekend of Mai 30<sup>th</sup>/31<sup>th</sup> in the Netherlands at the sports facility of Simpelveld / Bocholtz to participate in
